Alpha

The Circle of Unity in Glass

Alpha Design

Infinity made visible through glass

by Seves Glass Block is a striking embodiment of unity and wholeness, defined by its distinctive circular form

With no beginning and no end, its seamless design represents the infinite interconnectedness of all things. It evokes a deep sense of completeness, where aesthetics and symbolism converge.

Much like the circle itself, Alpha speaks to timelessness and the continuity of existence.

Alpha Brown

Grounded Elegance

Now available

in a rich brown tone, Alpha takes on a new, earthy sophistication.

In the right setting, Alpha Brown creates a cocoon of comfort, enveloping interiors in soft elegance.

This hue adds depth and warmth, offering a refined balance of strength and serenity within architectural spaces

Alpha Brown Metallized

Brilliance and Light

Elevate the Alpha Brown even further with a metallized finish. This version enhances the glass block's brilliance and transparency,

Thanks to a subtle mirroring effect that plays with light and reflection.

With this finishing, the Alpha design gains dynamic optical effects, adding surprise and sophistication to any space.

bold choice for those seeking to blend
